Hey Paul,

I wanted to send you a note personally to thank you, Theo and your team for moving The Shane Warne Foundation offices and my house.

The move went quickly and smoothly without stress and your guys were really professional mate, so I thought I should pass that on. Everyone just got in and did what they had to do. Thanks again for being available just before Christmas and being so organised.

I appreciate all your assistance it has been great!

Keep Spinning!

Shane
